END-USER LICENSE AGREEMENT

This End-User License Agreement is a legal agreement between you (an individual or a single entity) and the author of this Software for the software product NatureServe Vista. By installing NatureServe Vista, you agree to be bound by the terms of this License. If you do not agree to the terms of this License do not install or otherwise use NatureServe Vista.

PRODUCT LICENSE

NatureServe Vista is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. NatureServe Vista is licensed, not sold. The definition of NatureServe Vista includes computer software, associated media and product documentation consisting of both printed and digital material and any files generated by NatureServe Vista, such as but not limited to configuration and log files.

GRANT OF LICENSE

This License grants you the right to install and use a single copy of NatureServe Vista for personal, non-commercial use only without charge. Commercial users are required to pay an annual license fee and complete a four module training course to provide basic competence with the software prior to using it to generate products for other organizations. Commercial use of NatureServe Vista is defined as any use of the software for a 3rd party that is compensated monetarily, regardless of the nature of the organization using the software (including non-profit, government, or academic institutions providing services to others using NatureServe Vista for any monetary compensation). You may not sell for profit, incorporate into any commercially sold software application, or distribute NatureServe Vista without first obtaining written approval from NatureServe. Training and technical support of NatureServe Vista may only be provided by NatureServe.

This grant of license notice shall be included in all copies or substantial portions of the software.

COPYRIGHT

All title and copyrights in and to NatureServe Vista (including but not limited to any images, animations, video, audio, music, text and applets incorporated into NatureServe Vista), any accompanying printed materials, all and any copies of NatureServe Vista are owned by the Author of this Software. NatureServe Vista is protected by copyright laws and international treaty provisions as well as by other intellectual property laws and treaties. Therefore, you must treat NatureServe Vista like any other copyrighted material.

WARRANTY

The Author of this Software expressly disclaims any warranty for NatureServe Vista. NatureServe Vista and any related documentation is provided "as is" without warranty of any kind, either express or implied, including, without limitation, the implied warranties or merchantability, fitness for a particular purpose, or non-infringement. The entire risk arising out of use or performance of NatureServe Vista remains with the user. No support of any kind is provided to the user other than through NatureServe Vista support services. More information about support for NatureServe Vista can be found at, <http://www.natureserve.org/conservation-tools/data-maps-tools/natureserve-vista/vista-support-services>.

LIABILITY

In no event shall the author of this Software be liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other financial loss) arising out of the use of or inability to use NatureServe Vista, even if the Author of this Software has been advised of the possibility of such damages.
