

# BIODIVERSITY WITHOUT BOUNDARIES

# Coming Together for Conservation

Pittsburgh, PA • March 22-24, 2022

Nature knows no boundaries, which is why collaboration between the NatureServe Network and our partners is essential to protecting it. Your generous support of the Biodiversity Without Boundaries conference will foster connections between industry partners, government agencies, and biodiversity experts, facilitate communications on the latest research on at-risk species, and push us toward our shared goal of preserving our planet's species and ecosystems. As a sponsor, you will be recognized for your contribution, and have the opportunity to further your connection with a wide audience of conservation professionals.
